Sunfair XC features top girl runners

By SCOTT SPRUILL

Of the Herald-Republic

This year's edition of the Sunfair Invitational cross country meet, at Franklin Park Saturday, will feature the best high school girls' race in the state this year. Period.

You won't find a better collection of prep females in the same race even at the state meet in November.

The 60-team meet starts at 9 a.m. with grade-school races and concludes with the seventh varsity flight, reserved for each team's top runner, to begin at 2 p.m.

Headlining the wave of talent will be three state cross country champions — Eisenhower's Robin Bryson, Goldendale's Carissa Seward and Mead's Sarah Schwald.

Bryson won the Class AAA title last year as a sophomore, Seward is a three-time Class A champion, and Schwald won two Colorado state titles before transferring to the Spokane school last winter.

But the list doesn't stop there. Also in the race are Juanita's Christy Michaels, Rogers' Carrie Moeller and Shadle Park's Kristin Wellman.

Michaels is a sub-five-minute miler and won the Shoreline Invitational earlier this month, Moeller was third in the AAA state race last year, and Wellman has placed in the top six at state three straight years.

So far this season, Schwald appears unbeatable. The fleet junior has set three course records already, including a sizzling 16:41 for three miles at the Interlake Invitational in Bellevue last week.

Last year, Lisa Dressel of Rogers set the Sunfair record for the challenging loop-course at Franklin at 17:34.

The top girls' teams are expected to be Mead, Rogers, Ike, and Richland.

Each team will score seven runners, each running in a separate flight. The first varsity flight will start at 11 a.m. with subsequent flights starting every 30 minutes. The boys and girls will start together in each flight.

The boys' individual title is expected to be a battle between Mead's Nathan Davis, Mountain View's Erin Scroggins, and White River's Andy Maris, last year's state AA champ.

Last week Davis ran 14:41 to clip the Interlake course record, which was previously held by Mead's Chris Lewis. Lewis set the boys' Sunfair record last year at 14:52.

The top boys' teams will be Mead, North Central, Walla Walla, Ike and Blanchet.

Franklin Park, currently in the middle of installation of a sprinkler system, has a number of narrow ditches crisscrossing the park. Ditches have been filled in in some places and covered with boards in others for the safety of runners and spectators.
